Professional Summary

I have been involved in the field of Massage Therapy for the last seven years as a Licensed Massage Therapist (IL) and a Certified Massage Therapist (IN). I specialize in Thai massage and have studied in Thailand. I also have a background in Tui Na. My practice includes elements of these along with deep tissue, sports, Swedish, hot stones, cupping, tok sen and herbal compress. I have recently moved back to Chicago and am looking for a new opportunity to practice massage.
